FROM THE PRINCIPAL

Bishop Heber College (Autonomous), Tiruchirappalli, has always strived to meet the challenges of enriching, encouraging and developing human capital for the betterment of the society. It is no exaggeration to state that the all round formation offered at our institute has made our students valuable in the job market. Many companies have shown their preference for Heberians. The various departments at Bishop Heber College enjoy a preeminent reputation for the excellence of their teaching in this dynamic discipline. It ranks alongside the most highly-rated Arts and Science colleges of this country.

From a very humble revival in 1966, the college is now catering to more than 6000 students. Our academic programs are of the highest order because we believe in the transformative power of ideas. Our faculty, and the diverse student body from various social walks of life, all contribute towards the same purpose: to maintain the college's excellent reputation in education and to form men and women for the service of society, and humanity at large. Ever since our College became Autonomous from 2004, its curriculum has aimed to extract the best out of every individual who is a part of this esteemed institution. The semester system, Continuous Internal Assessments as well as the Credit system ensure that every Heberian is competent enough to face challenges in life.

To facilitate the recruitment process for companies, the Training and Placement Division bridges the gap between students and the industries. I am confident that a visit to our lush green campus will be mutually beneficial and you can be assured that the Heberians will be an asset to your organizations. I invite you to organize Campus Recruitment Programmes in our College and assess the caliber of our budding graduates and select as many of them as you may require.

Dr. D. Paul Dhayabaran

FROM THE DEAN

TRAINING & PLACEMENT DIVISION

It is my duty and a matter of great pride and responsibility to present the placement brochure. It gives me immense pleasure to invite your presence and participation in the placement process for the batch of 2012-13. The batch consists of bright individuals eager to take up the challenges of the corporate world. I am sure you will find this bunch of energetic and passionate individuals highly suitable for the challenging positions available in your organization. Our students are extensively involved in the various curricular, co-curricular and research activities to face the current challenges. We help students to develop skills, knowledge and the right attitude in both practical & theoretical aspects. I am sure that our students have the potential to meet the standards of your organization. Thus, I would make an appeal to you to offer placement to our students. I wish them all the best and pray to the Almighty that they will not only prosper in their career but serve the society at large.

The Training and Placement Division of the college centrally handles campus placement of the graduating students of all Departments. This section provides excellent infrastructure to support every stage of the placement process. Arrangements for Pre-Placement Talks, Written Tests, Interviews, Group Discussions and Mock Interviews are made as per the requirements of the Organizations. The section also arranges for summer practical training for all pre-final year students. Additionally, it organizes programmes on personality development, and communication skills, career planning and career mapping, technology and management. It also arranges career counseling at regular intervals. Recruitment drives, both off and on campus, are organized periodically to benefit final year students. The T & P Division also offers placement services to students who have passed out of the college.

RULES AND REGULATIONS

- The Placement Cell acts only as a platform for interaction between students and the Corporate sector & does not assure any student of a placement.
- Students must apply to a corporate after careful consideration. Strict action will be taken against students who negatively impact the reputation of the College by their action or inaction while interacting with the corporate especially during the recruitment process.
- All companies will conduct a pre-placement talk. The Placement Cell is not responsible for the profile of job offered by the corporate. It is the duty of the student to attend the PPT about the company profile and to clarify the same with the corporate.

PLACEMENT POLICY

- If a student, after the recruitment process, is placed in a particular company, he or she would not be allowed to apply to another company in the same category.
- If there is a time gap between the recruitment process and the declaration of the results by a particular company, the student will be allowed to apply to another company during this period.
